Dear Parent/Carer

Breakfast Club

I would like to remind you about the breakfast club that we hold in the Design & Technology area between 8.00 and 8.30am each morning and to tell you that all pupils eligible for the Pupil Premium are invited along for a free breakfast.

During breakfast club pupils can relax, have a chat, play games or head to the library to catch up on homework. They can also enjoy hot or cold food but please let me know the day before if hot food is required so that I can have it ready for 8.00am (menu attached).

We look forward to seeing at breakfast club soon.

Yours faithfully
