

6th October 2016

Dear Parent/Carer

As part of our continuing support of your child's progress in Mathematics at Codsall Middle School, we would like to invite you to attend a series of sessions to support you in helping your child. These events were mentioned in my presentation to you on the new Parent's evening and I hope that they will provide you with some further support on different areas of the maths curriculum.

The sessions will run as follows:

Thursday 13th October 2016 at 5pm

Maths Core Skills: Supporting your child's basic maths skills.

Thursday 20th October 2016 at 3:30pm or 5pm

"Malteasers, Minstrels and MyMaths": Supporting your child with online MyMaths homework.

Thursday 17th November 2016 at 5pm

"Flipping Fractions, Decimals and Percentages": Supporting your child with Fraction, Decimal and Percentage Calculations.

In order to identify how many parents will be attending could I please ask that you book onto these events using our parents evening booking system using the following link:

<https://codsallms.parentseveningsystem.co.uk/>

You will be able to book onto these events up to the day before the scheduled start. We will look forward to seeing more of you and discussing how you can help your child further. If in the meantime you have any queries or concerns please feel free to contact your child's Maths teacher via their planner or contact us at school on the above number.

Yours sincerely

Mrs J Collins
Senior Teacher
