YOUR PFA NEEDS YOU!

Dear Parents and Carers,

In the past few years the PFA has funded the following projects in school:

2 Outdoor shelters (successfully gaining lottery funding for one of these)
Tools for the garden
A green house
Furnishing and resources for the Nurture Room

We have recently donated £4000 for all weather flooring to be installed under the trim trail and £2000 for new playground markings, (supporting the School Council's project). We are expecting these projects to be completed this term.

BUT... as always children grow up ☺ so parents move on. To continue supporting the school we are looking for new committee members and event volunteers. If you can help please, please, please return the below slip to school.

Many thanks
