News from Codsall Middle School

No 2 Week Ending 11 November 2016

Welcome to our November Chronicle.

With Remembrance Day in all our thoughts, I attended a service at the Council Offices earlier today with 6 of our senior prefects. As you would expect, they conducted themselves impeccably as wonderful ambassadors of the school and our local community.

As ever, there are a huge amount of trips, events and activities happening each week. Please encourage your child to engage with as many of these as possible. To this end, there are now a number of breakfast sporting activities happening each week (details on the website). I would like to see as many pupils as possible attending these clubs, as well as our usual breakfast club from 8.00am. However, I would like to remind you that with the exception of these activities, pupils are not allowed on school site (particularly the playground area) until 8.25am, as there will be no supervision until this time. Mr P Bowers, Headteacher
