Dear Parents/Carers

### Police E-Safety Parents Briefing – Wednesday 11<sup>th</sup> January 2017, 6-7pm

Throughout the school year your child will receive a wealth of information via lessons, assemblies and drama productions on the topic of internet safety. Growing up with the internet, children are often more knowledgeable than we as adults are. However its dangers are significant and we are happy to accept the offer from Staffordshire Police to run an E-Safety Briefing designed specifically for parents. **Please note the Police have advised us this meeting will not be suitable for children to attend.**

The briefing will take place at Codsall Middle School at 6.00pm on the evening of Wednesday 11<sup>th</sup> January 2017. We expect the event to last no longer than one hour depending on questions parents may raise. Please indicate on the reply slip below if you are able / unable to attend and indicate how many seats are required.

Kind regards

**Mrs P Baker**  
Deputy Headteacher
