

3<sup>rd</sup> March 2017

Dear Parents/Carers

We are proud to announce that our school has booked a very exciting project – we are recording our very own school CD! We are having a professional mobile recording studio visit us on Thursday 6<sup>th</sup> April. This will be a fantastic opportunity to capture the wonderful musical talent we have in school. We will be including our 40-strong choir, our school band, the ukulele group and even our very talented Y8 boy-band ‘Sahara’! However as this is a whole school project, we will also be recording whole year groups, performing one or two songs each, which will be a brilliant way to capture the talent of the whole school!

Furthermore, and to add to the excitement, we will be running an art competition to design the front CD cover. Every pupil can enter by collecting details from Miss DeGavre, and returning their entry by 16<sup>th</sup> March. Additionally, if we sell enough CDs, the Music Department will also receive a whole class set of African drums and percussion instruments, which will further enhance the day-to-day music provision for your children. This is a wonderful opportunity, and it should serve to really promote the music of CMS.

We are hoping to sell as many CDs as possible – not only will they prove to be a great memento for the children to know they have recorded and designed their very own professional CD, but it will also be a lovely gift for relatives and friends. A large number of CDs sold will also support our ever-growing Music Department, which presently has over 100 pupils regularly engaging in extra-curricular music activities.

The CDs are going to be sold by the school at only £5 each. This is a **much cheaper price** than they are costing to order, however as a school we have decided to keep the cost down for parents, in the hope that you might buy multiple copies! They are strictly a limited edition, and can only be purchased through school. Payment can be made by either using our online system Parentpay or by requesting a Pay Point barcoded letter from the Finance Office. Please return the slip below by **Thursday 30<sup>th</sup> March**.

So, please, support the children – they will have a great day recording the CD, and it would be a shame not to sell at least one to every child!

Many thanks
