

Theatre Company Comes To Codsall Middle School!

Children would be expected to commit to the club for a period of 20 weeks where they will learn all aspects of performance, including dancing, acting and singing, as well as elements of production such as stage management and sound. The sessions will have something to interest everyone.

Children will work towards performing Disney's acclaimed version of High School Musical, subject to licensing, in a venue (we hope) with proper stage and lighting (venue to be confirmed). The final performance will take place in April, with ticket sales generating funds for the school, more details to follow.

We actively welcome both boys and girls to get involved and children should not feel that they have to be particularly gifted in all three areas of acting, dancing and singing. A willingness to have a go and commit to learning lines etc outside of rehearsals is also paramount.

Parts will be allocated through a non-stressful workshop session led by Mrs Carey where children are observed and monitored, of course not every child can be Troy/Gabriella.

Sessions will cost £5 for the one and a half hour session and parents would be asked at this stage to pay £50.00 to pay for the first 10 sessions, with a further payment later on in the term with the remainder. As part of the £5 session fee, children will access online music to rehearse songs at home, as well as an informative script which they can keep.

At this stage we would just ask children to return the slip requesting their place and then once a space is confirmed via school text, we will request payment immediately via cash or cheque made payable to Emma Carey.

Should your child be allocated space they will need to bring comfortable clothes and flat shoes (trainers/pumps etc) to the sessions as well as a drink and a snack.

Please note a prerequisite for your child's attendance at the club is an ability to follow instructions, a willingness to rehearse at home as well as in school and good behaviour.

If you would like any more information about the sessions, please contact Mrs Carey directly at the following email address: flipsmash@hotmail.com

All registrations of interest must be returned to school no later than Monday 16th October. Rehearsals commence Monday 6th November.

Best wishes

I would like a place to be allocated to my child _____ in Class _____ to attend Theatre Company and understand that this is a commitment for 20 weeks @ £5 a session.

Parent Name _____ Signed _____

Any medical conditions Theatre Company need to be aware of:
