Dear Parents/Carers

Year 5 Geography Rainforest Workshop - 22nd May 2018

I am delighted to inform you that we have arranged an exciting workshop with a company called 'Green up your act'.

This opportunity, which is linked to their unit of work on Brazil will give the children an exciting insight into the rainforest and the many issues it faces.

School will be subsidising the event but we are asking you for a voluntary contribution of £2.00 per child for the workshop. We would really appreciate your support with this, as if we do not receive enough contributions to cover the overall costs, we may have to consider cancelling the experience.

Please complete the reply slip below and make your £2.00 contribution through the online system ParentPay.

With much appreciation for your continued support.

Yours sincerely

Mrs S Deas
Teacher of Geography
