Each governing body should arrange for a **Register** to be held at the school for the purpose of keeping a record of the pecuniary interests of each member of the Governing Body. It is recommended that this Register is kept by the Headteacher in a loose-leaf binder.

The Register must be open to public inspection and audit, free of charge, at reasonable times e.g. school office hours.

The Governing Body should make arrangements for the Register to be kept up to date. It is suggested that this should be done at least annually by asking each Governor and employee to complete and return a form. **You should, however, note that it is the responsibility of the individual to ensure their entries in the register are up to date and accurate.**
