Analysing the use of language and trying to translate the meaning.

French	Geography of France; homes; evening activities; time; town; directions; numbers to 60.		Making arrangements; snacks and drinks; prices; school; daily routine; numbers to 100.		Hobbies; music; sports; at the leisure centre; holiday activities; holiday plans	
Geography	Africa and the Horn of Africa Comparison of landscapes Djibouti African Biomes Physical features Industry in the Horn of Africa Data analysis in the Horn of Africa		Mapping Mapping Skills Ordnance survey symbols 4/6 figure grid references Relief - Contour lines / cross sections		Glaciation What is it? Impact Solutions	
History	How did the power of the Monarchy change (1066-1450)?		How did Britain become the world's largest empire?		What did an era of revolution bring for an ordinary person? (includes Local history)	
Computing	Computer Architecture Understanding the inside of a computer Understanding how components work together. Identifying different components and how to replace them.	Advanced Desktop Publishing Creating unique templates for magazine covers and holiday brochures. Inserting interactive features into documents.	Advanced Spreadsheets in Microsoft Excel Identifying differences between formulas and functions. Implementing formulas within data sets. Managing graphs and charts.	Advanced Algorithms in Flowol & Logo Controlling virtual traffic light, theme park and robotic systems (Flowol). Controlling a system to draw shapes and move in patterns (Logo).	Advanced programming in Scratch Creating games using with interacting characters and multiple levels. Application of mathematical concepts. Use of variables and broadcasts.	Producing News/Weather Bulletins (Movie Making) Identifying features of news bulletins. Making a news bulletin and editing recorded footage.
Mathematics	Number 1 - Calculations & Accuracy Statistics 1 – Averages Algebra 1 – Expressions, Formulae & Sequences Geometry 1 – Measures & Mensuration Statistics 2 – Organising, Representing & Interpreting Data Consolidation		Number 2 – FDP, Ratio & Proportion Geometry and Measures 2 – Angles & Constructions Algebra 2 - Equations Number 3 – Types of Numbers, Order of Operations & Standard Form Consolidation		Algebra 3 – Functions & Graphs Algebra 4 – Equations Statistics 3 – Probability Geometry 3 – Transformations Consolidation	

Music	Musical Theatre Different types of musical theatre, extended performance	Folk Music Revisiting ukulele, singing folk songs, ensemble performances	Chromaticism Different scales, performance of Fur Elise		Minor to Major Guitar skills, composing melody over minor chord sequence	Dance Music The waltz – different time signatures
Personal, Social, Health and Citizenship Education (PSHCE)	Introduction to the subject Stereotypes, discrimination and prejudice Building learning power – developing self-perception and learning capabilities		First Aid During this term pupil' will learning basic first aid procedures		Healthy relationships During this term pupils will learn about puberty, healthy relationships and hygiene	
Religious Education (RE)	Buddhism Advent and Christmas		Religion and the environment Lent and Easter		Religion and Mysteries Hinduism	
Physical Education (PE)	Rugby Netball	Football Gymnastics Dance	Sport Education Football Girls Tag Rugby Fitness	Tchoukball Orienteering	Athletics	Cricket Softball
Science	Cells Acids and alkalis Energy resources		Human reproduction Simple chemical reactions Forces		Food chains and webs Particles Space Plant reproduction
