Dear Parent/Carer

Free breakfast offer

It is nationally recognised that pupils are best prepared to be effective learners when they've had a healthy and nutritious breakfast. As your child is eligible for Pupil Premium we would like to offer your child the opportunity to receive a free daily breakfast.

Should your child wish to take this offer up, the breakfast club runs daily from 8.00am with last orders being at 8.15am. This will enable the children to choose from a wide variety of breakfast items to the value of £1 (please see menu on the reverse).

Thank you for your continued support. We look forward to seeing your child at breakfast club in the near future.

Should you have any further queries please do not hesitate to contact one of us.

Regards

Mrs Deas
Leader of Achievement KS2
