Dear Parent/Carer

### **'A Christmas Carol'**

Feeling 'Bah! Humbug' about Christmas? Well, then you need to come and watch Codsall Middle School's fantastic production of 'A Christmas Carol' on Monday 10<sup>th</sup> December.

Over the past few weeks, a group of twenty talented students have been working extremely hard on bringing the classic tale to life for you this Christmas. It would be wonderful to see many of you there.

Arrival is from 6:30pm for the performance to begin at 6:45pm and we will also have the side car park available for you to use. This is a short adaptation, which lasts approximately an hour, with some cheery carols to speed you along into the Christmas spirit.

There are no tickets needed, simply a donation of £1.50 upon arrival at the door. Tea, coffee and mince pies will be waiting for your arrival to warm you up and put you in the merry mood for our festive show.

Please don't be a Scrooge, come and join in with some traditional Victorian Christmas magic this year.

Many thanks for your support.
