

11th February 2019

Dear Parents/Carers

Year 5 Cadbury World Trip, Birmingham

To enrich our mathematics curriculum year 5 will be visiting Cadbury World, Birmingham on the following dates:

Thurs 20th June 5H, 5K and 5O

Fri 21st June 5E and 5F

It is an amazing attraction which will show pupils how maths is used in a variety of aspects of life. They will also take part in a workshop which will uncover the fascinating process of new product development, including 100 years of shape and packaging design.

On the day, pupils will be expected to arrive at school, in full uniform, at the normal time. We expect to arrive back at school by 3.15pm. Mobile phones will be collected in and given out as normal on return. Your child will need a pen or pencil, so they can complete a trail around the attraction, as well as a packed lunch (no fizzy drinks or glass bottles/chewing gum) in a carrier bag that can be later disposed of. Additionally, a light-weight coat may be advisable as lunch will be eaten outside unless the weather is bad. Pupils will be responsible for, and carrying, all their belongings (a small rucksack would be useful). They will be allowed to make purchases from the souvenir shop and should bring their own money if you wish them to do so, to the value of no more than £10.00.

The cost of the coach and entrance to the centre is **£16.00**. This is a voluntary contribution, however the trip cannot take place unless we receive sufficient funds. Payments are non-refundable and can be made using Parent Pay or contact the finance department for a bar-coded letter.

In order for us to confirm the booking with Cadbury World and our coach company, I would be very grateful if you could make payment no later than **Friday 15th March**. If your child is entitled to Free School Meals I will speak with them before hand to arrange for the school kitchen to provide sandwiches and a drink for them unless they wish to bring these from home themselves.

Should you have any further queries regarding the trip you can either contact me directly or view the Cadbury World website for further information.

Yours sincerely

Mrs R Morris
Teacher of Maths
