

9<sup>th</sup> June 2020

Hello yr4's

How are you all doing? I'm really sorry that this year we won't be able to do the 2 transition days.

Just to keep you updated, I am going to be shortly sending your parents a letter with more information on about September. But thought that I would send you this little video to introduce myself and hopefully answer some of your questions. I know that some of you are creating a list of questions to ask me, but thought that this might also help.

I'm really looking forward to seeing you all.

Take care

Love

Mrs Deas
