Dear Parents/Carers

So the end of term is upon us and what a surreal summer term we have all had.

Firstly, I want to thank you for all your support in respect of the fantastic alternative home schooling opportunities that you have told me about. From raising chicks, impressive DIY adventures, treehouse constructions and generally more shared family time. I am really hoping, that our children, when asked in years to come, will reflect on this time with fond memories.

The six weeks is now approaching and hopefully for some a time for computers and screens to be switch off and for more amazing memories to be made. I'm looking forward to hearing all about them in September.

As a school we recognise how well children have engaged with their GO4 Schools work, and all that they have done will support them when they return to lessons in September. However, we also recognise that some parents may feel that some additional work for over the summer holidays may benefit their child. Therefore, for all our pupils, including our new Year 5 pupils joining us in September, we are providing optional booklets of summer 'top up' for English and Maths. For Year 8 pupils, these materials have been provided by Codsall High School.

These 'top up' booklets will be available on the school's website. They can be accessed on an 'as needed' basis and are not compulsory. Please be aware that the answers have been supplied, so home marking can take place, and this also means that work doesn't need to be brought into school. If pupils would like to show off their efforts to their class teachers on return in September, they will, of course, be delighted to look at them and praise their efforts.

Once again thank you for all your patience and support over this period. We are very much looking forward to seeing children back in their classrooms.

Please enjoy your break and we will see you on the 2nd September

Take care

S Deas
